WORK LAKESIDE

Whether you're looking for an away day
or a meeting room with a difference,
bring your team to The Lakes.

WORK LAKESIDE

Inspire your team by breaking out from the norm of 9-5 and into one of our unique lakeside workspaces in the Cotswolds.

Available for up to 8 people, choose from a two bedroom cabin or three bedroom apartment to be your base for the day, and once your done collaborating, enjoy a rejuvenating trip to The Spa or add-on a thrilling team building adventure.

MORNING

Our team will be here to greet you and get you settled in with tea, coffee and breakfast. We'll leave you to get down to business and pop back later with your mid-morning snack and restock the tea & coffee.

LUNCH

When hunger calls, you have the option of choosing Bento boxes, sandwiches or salads delivered. Alternatively, if you would like a change of scenery we can serve these options in our café, Elsa's, which overlooks Marley lake.

AFTERNOON

Spend the afternoon exploring our 850-acres, with a variety of fun activities including a zip-wire experience or a relaxing massage in The Spa. If you're in no rush to leave, enjoy a preferential rate when you stay over.
